Welcome to the Automarket, your sports car dealership of "YES". We have a truly rare and beautiful 370Z Roadster. This is a local vehicle that has been very well cared for in its previous life. In 2016 we sold this vehicle and it has just now been traded in for a newer car. The owners loved this car, had no issues and kept it in a warm garage between uses on beautiful days. Although there is a significant damage claim from 2011, the last owners from 8 years ago have had no issues with the car what so ever and we have taken the liberty of fully inspecting the vehicle to be sure there were no issues. Tons of brake and tire life remaining. The vehicle has clean fluids, great tires and great brake life remaining. 2 LOCATION...
